

MACU Off

Dietary Supplement

MACU **Off**

Wellness in sight

MACUoff is a dietary supplement based on natural extracts and vitamins, useful to promote and protect visual functions.

MACUoff has a patented formulation based on MSM, Lutein, Zeaxanthin, Turmeric, Lycopene, Alpha-Lipoic Acid, Resveratrol, Vitamin E, Vitamin B2 and Folic Acid.

30 tablets of 850 mg
Net weight = 25.5 g

INGREDIENTS	mg/cpr	%NRV
MSM	300	-
Lutein	8	-
Zeaxanthin	1,6	-
E.S. Turmeric	105,3	-
Lycopene plv	3,5	-
Alpha-lipoic Acid	30	-
Vitamin E	10	83%
Vitamin B2	10	714%
Folic Acid	0,3	-
Resveratrol	10	-

Lutein and Zeaxanthin are extracted from *Tagetes erecta*, which promotes visual well-being. The Resveratrol is extracted from *Polygonum cuspidatum*, is a powerful antioxidant and has a tonic action on physical and visual fatigue. Vitamin B2 contributes to the maintenance of normal vision. Vitamin E contributes to the protection of cells from oxidative stress. Folic Acid contributes to the reduction of tiredness and fatigue. Alpha-lipoic acid, Lycopene extracted from *Solanum lycopersicum* and Methylsulfonylmethane enrich the formulation, with strong antioxidant action. Turmeric, extracted from *Curcuma longa* L. - rhizome of the family of zingiberaceae, has a powerful antioxidant, anti-inflammatory and anti-edema action.

Thanks to the combined action of its components, MACUoff is useful for visual function and for the protection and nutrition of the retina. It is useful in disorders of night vision and twilight and in eye fatigue.
